Vernon,

OK dude. It looks like this is it for you. Unfortunately, I've still got 2 more ybo. in Alcatraz. Don't worry, I'll keep up the party tradition in theatre. There are gonna be some rowdy cast parties next year. I would write more, but I need to go get my supply of California Coolers from the end of mine. That's what the cup is for!

Love & Friends forever mug fischer

Homecoming "83"

Just You

This years Homecoming week ended with a bang. The bonfire and social started the festive week-end on the right track. The social was held in the field house, and consisted of two disc jockeys who got the G.N. students dancing to the latest tunes.

Homecoming day began in the traditional way, with the Homecoming parade. The parade consisted of floats and decorated cars from the various clubs, and the pom-pom squad performing to the music of the G.N. marching band. Our fighting Panthers romped on Glenbard South, with a final score of 31-0.

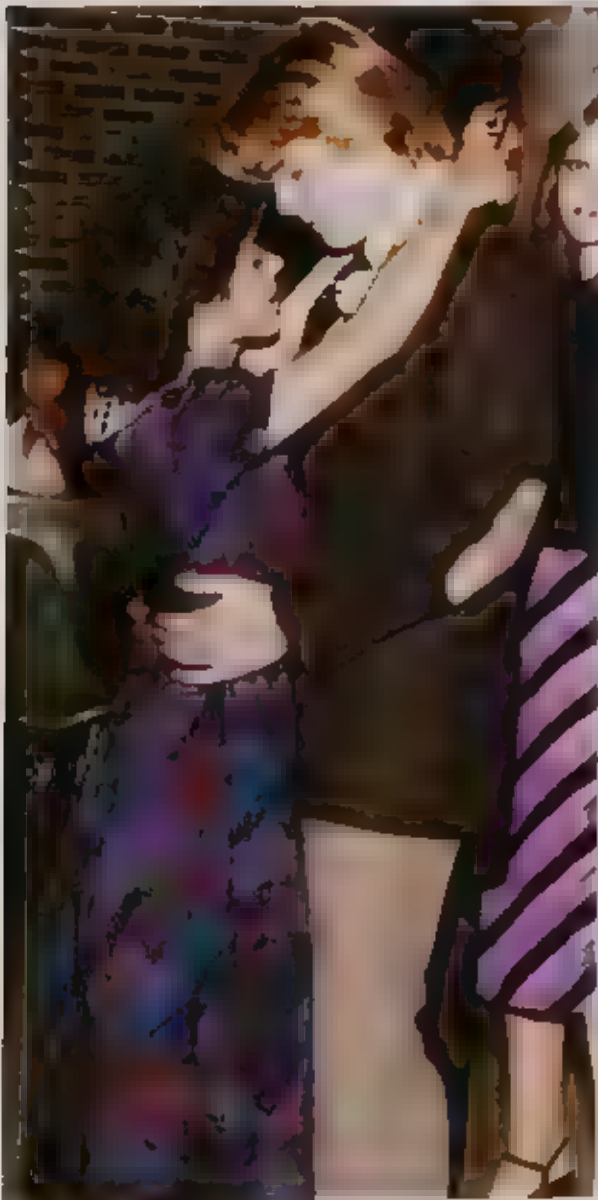

The outstanding win of the football team added to the excitement of the formal Homecoming dance held that night. The dance, entitled "Just You And I", had a big turn out and was a success.

Prom "84"

On June 1st the Junior Class presented "Tonight We Celebrate Our Love" at the Marriot-Oakbrook. The music was provided by the band, Diamonte. Court consisted of Gia Amato, Geri Blomquist, Chris Cozzi, Sue Wawack, Mike Gilbert, Darryl Mickelson, Tim Pawlicki, Tony Savegnage, King Danny Alarcon, and Queen Loretta Olsen. This year's prom created lasting memories for each Cinderella dancing and dining with someone charming.

Mr. Manning: Collector Of Campaign Buttons

- Q: How did you get interested in collecting campaign buttons?
- A: A political campaign is the time that the people can prove that they are the government. I became interested in collecting when I realized that to display these mementos is to bring history to life.
- Q: When did you start collecting the buttons?
- A: I started in undergraduate school, but became more earnest while working on a Master's in Government and International Studies at U.S.C.
- Q: What is the approximate worth of the collection?
- A: The real worth of the collection is the educational value in studying the problems and policies of our wonderful American past.
- Q: Do you just collect buttons of the candidates that you support?
- A: I collect political items on all presidential candidates and some state and local elections.
- Q: Where do you find the buttons?
- A: Political Americana can be found in many places: conventions, fairs, collectors clubs, etc.

Mr. MacPherson Goes To China

Last summer Mr. MacPherson recieved a Fulbright scholarship, which enabled him to spend six weeks in the People's Republic of China. During his stay he studied the history and culture of the Chinese people. He spent four weeks at the University of Beijing and two weeks traveling to various cities, including: Xiana and Hangjou in Central China, Wusxi and Shang Hin in Southern China. The concentration of study centered around investigating schools, hospitals, reformatories, temples, churches, and parks. When asked what he considered the highlight of his trip, Mr. MacPherson replied, "Meeting with the people and learning what everyday life in a country with a population of one bilhon plus is like."

Glenbard North's Unusual Ecology Collection

Q: What type of collections does the ecology program have?

A: We have mammal skins and skulls, most of the fresh water fish from this area, amphibians, reptiles, insects, parasites, scat (fecal droppings), and the beginnings of a bird collection.

Most of the collections grew out of Mr. McCann's and Mr. J. Nytle's private collections. The scat collection contains about three dozen different specimens, including the droppings of: deer, moose, elk, wolf, bat, and owl. Mr. William's contributed to the scat collection by bringing back elephant, gazelle, and giraffe droppings from Africa.

Q: What motivated you to start collecting them?

A: The mammal and bird collections were started for teaching purposes, for he felt it would be good to have examples for his students to see. The fish collection stemmed from a class he took at the University of Michigan.

Q: How do you collect them?

A: The mammals and birds were mostly found dead and a few were trapped. Most of the mammals are stuffed at the school by either Mr. McCann or students. Instead of stuffing the birds, they are injected with formaldehyde and left to mummify.

Q: How long have you been acquiring the different collections?

A: Twenty years.

Q: What is the most unusual specimen?

A: A vertebra and rib of a whale found in Maine and the tusk and hip bone of a Masodon. The Masodon tusk and hip bone was donated by Mrs. Battle's, who found it in Alaska.

The full moon came out on October 19, 1983 to welcome Vlad Dracula to Glenbard North. He brought along with him a fine cast and crew in the first production of the school year, *The Passion of Dracula*. This show's eight performances marked a first in GN theatre history. The fantastic technical aspects of the show, under the direction of Mr. Steve Jacobs, kept audiences coming back, for the theatre was at least half full every night and the extra performances proved well needed. Cast and crew alike enjoyed the extended run, though it required much more time and energy. Under the dramatic direction of Mr. Charles Berglund and the artistic help of Miss Donna Burke, the show turned out to be a great success that kicked off a great dramatic year.

VARSITY BACK ROW: Left to Right: Coach Bob Fulk, Coach Dyawne Nyckle, Jeff Paul, Aaron Ressler, Tony Savegnago, Kevin Summerville, Kent Olsen (mgr.), Coach Mark Hahn, Coach Steve Jeffrey. **FRONT ROW:** Left to Right Tony Cassata, Rob Palazzo, Dan Bagger, Scott Stephenson, Mike Peters, Darryl Mickelsen, Rick Swan, Jack Tamplin, Mike Oostdyk.

Once again the Wrestling Panthers had an outstanding season, finishing with a dual meet record of 22-4, taking first place in two of the three tournaments they were entered in, and bringing home a second place trophy from the state championships. Increasing their 6 yr. record to 123-7-1.

The season started slow with a loss to St. Laurence but the team came back to win their next twelve meets, including a 33-25 victory over Marist who were the state champs last year.

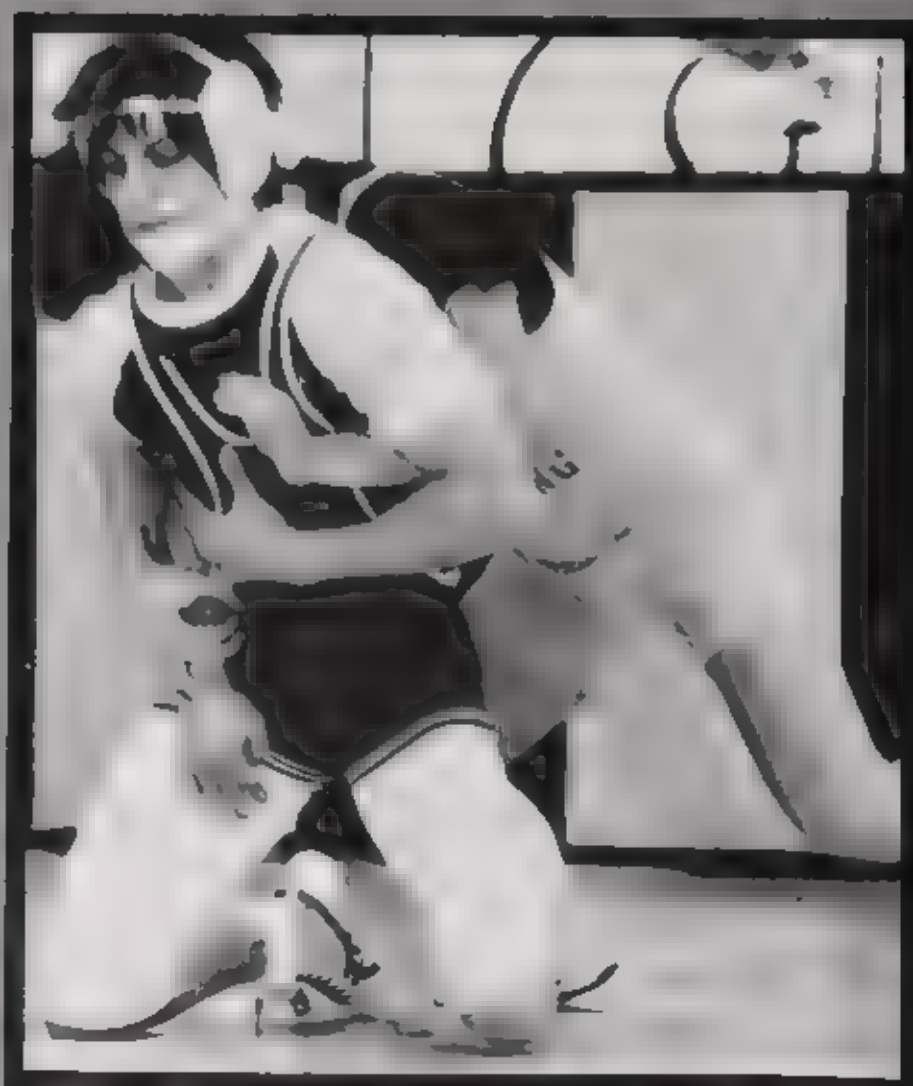

The wrestlers took first place at conference and had a close victory over Wheaton North at regionals. The team was helped by first place wins from Mike Oostdyk, Darryl Mickelsen, Jeff Paul, Aaron Ressler, and Tony Savegnago, second place finishes by Dan Bagger, and Kevin Summerville, and a third place win from Jack Tamplin.

Because of the new ISHA dual meet championships the Panthers then had to go on to defeat Wheaton Central and come back for an exciting one point victory over Lyons Township before they had a spot in the state championships. In Champaign they defeated Rosanna and Joliet West but then lost in the finals to Stagg High School to finish an impressive second in the state. Congratulations wrestlers and Coach Fulk on another outstanding season!
